Dear Sister Edith & Helen:-

I recd. your nice postal card of 5th
& also the beautiful socks which
are very stylish & useful I will
keep them for sundays & days
off. & many thanks for them &
all congratulations, you havent
forgot your Bro's birthday have you?
the Postal card seems to nice
to be real - but I guess it must
be so as everybody says so that
has been there & seen it, & is I live
long enough I expect to see it
to someday - but I dont know
just when, sorry to hear of your 3
children being sick but glad they
are well again, wish we could
go out on our day off & help you
pick walnuts & eat some of
that delicious fruit, our Helen
often says to me "Pa have I got a
little Cousin Helen - away off in

CM

in California² & can I see her some-
day"? & I ^{say} yes & I hope so Sunday, &
she says all right & goes on with
her play. Yes aunt Mary Gustman
died of leakage of heart on 10th & was
buried on 12th but I couldn't
go - sorry to say.

Army Brown & Daughter & her
Sister-in-law came up last Thurs.
to attend the Methodist Conference
held here & they stayed at our house
& went home this morning. Army
says after the funeral of aunt Mary
they all had a ^{mini}-supper at her
house (Marys) & then the will was
read. Mothers name & all the
Bros. & Sisters, - but Tom's Father & I
suppose aunt Mary forgot about
him when she made the will
as he died so long ago. Tom & his
wife was there & everybody except L.C.
& me Army said, L.C. wasn't at
home when they sent word & he
couldn't get there in time for the
funeral, but his wife is down in

Bertin taking care of aunt Sadie
while army ^{was} is up here. army says
there is to be a sale & everything that
aunt Mary had is to be sold. the execution
locked up the house & he has the key.
aunt Mary had 30 acres of land
down on the old farm & one
or two houses & lots in alliance
& some money in the bank
but I don't know how much.
but after everything is sold
there is to be an equal division
between the Bros. & Sisters, & our
Mother's share will be divided
between equal between us
4 children. Jennis gets Jack -
you being his legal mother or
guardian will hafta look after
his interests. now I suppose
we will hafta hunt up Katie,
but I don't know anything about
it only what army was saying
& she didn't think there would
be very much for any of us
as there is so many airs for it to
be divided among. but no matter

how small it is it goes to show what a
good old soul she was & how much
she thought of her own. we were
looking for her up to see us this fall
& didn't even know that she was sick
until we heard of her death.

Tuesday was my day off & I had
planned on taking our company out
for a nice ride but it poured rain all
day & night & spoiled our plans
so in evening I took all hands
over to Aunt L.C.B for supper & spent
evening there & met Homer Hartson
& his wife there & we all had a nice
visit together. Homer is going to school
here & his wife came up to see him, &
they are coming out to see us before
she goes back. we are all well but
Mother L. & she is bothered with her
old trouble again. B.T. Stanley & wife
spent last winter in Whittier Cal. I thought
a place there & are going back sometime
but don't know when. he had an auto
there & took all his friends around &
would of been glad to see you & taken you
for a ride to. write soon. Archie.
